*MHS Continues
to grow . . .*

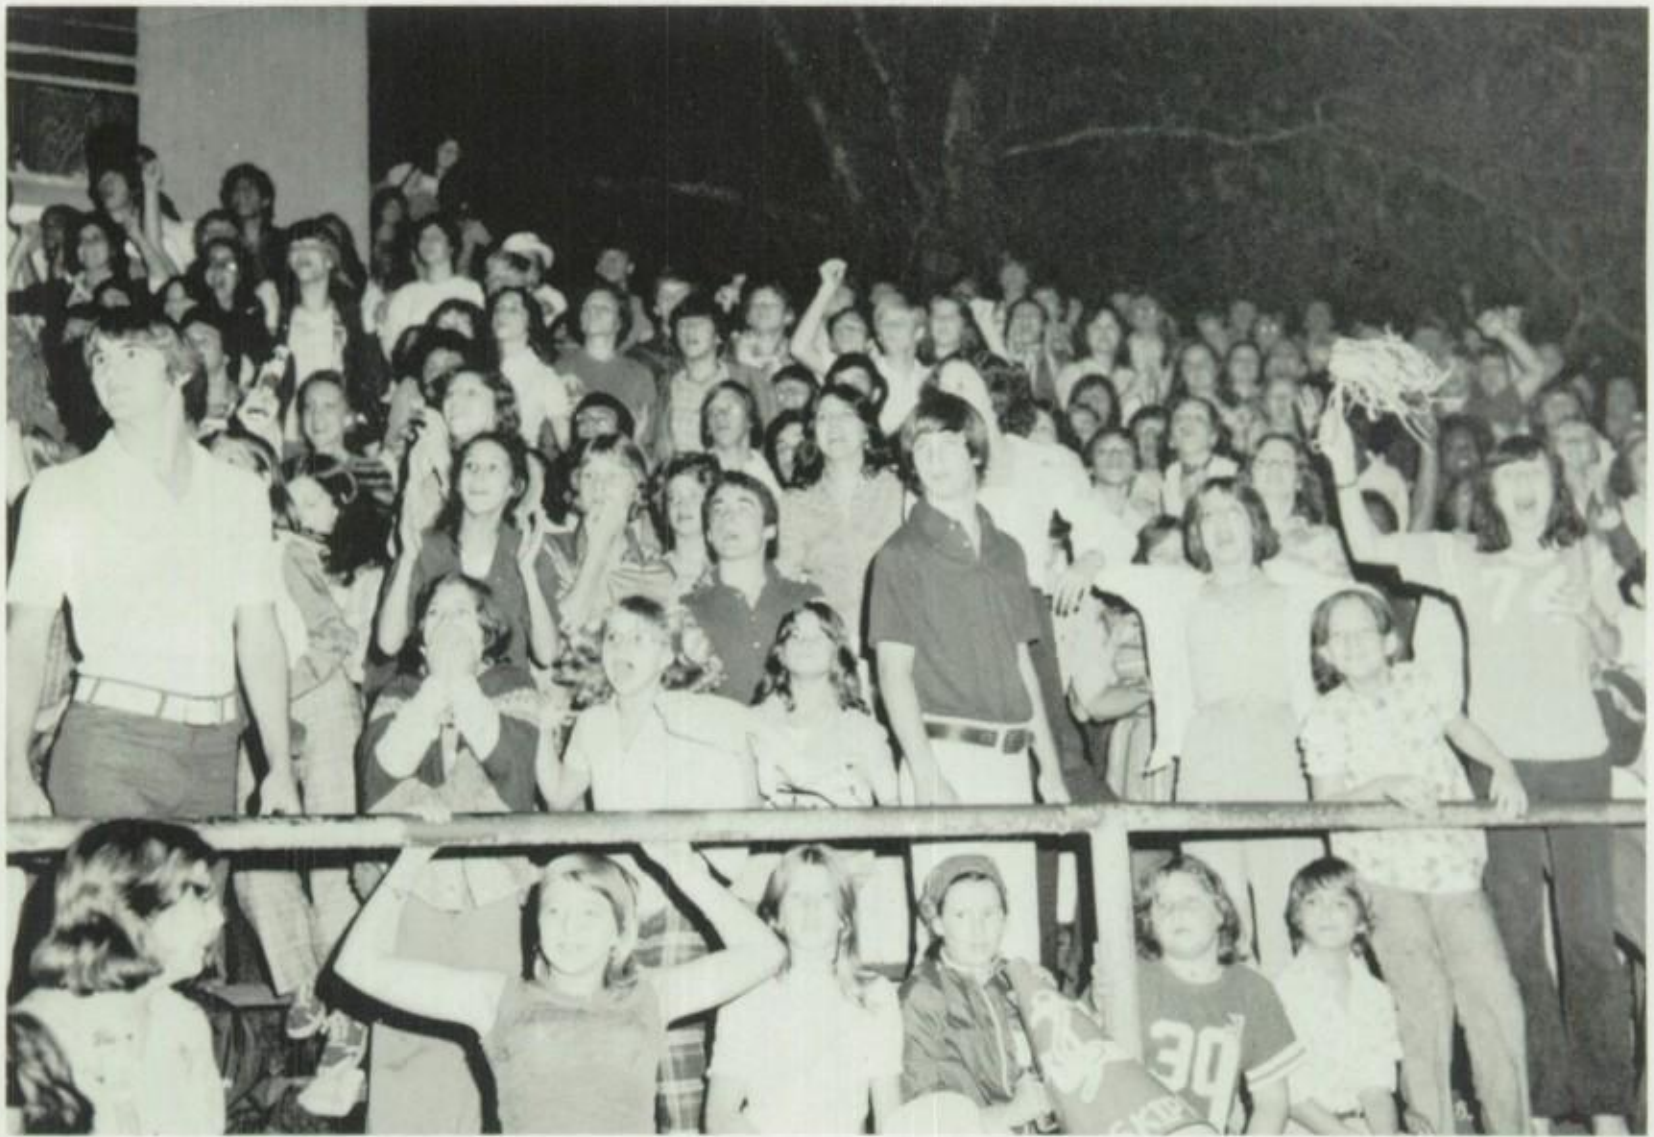

as the tracks of time ...

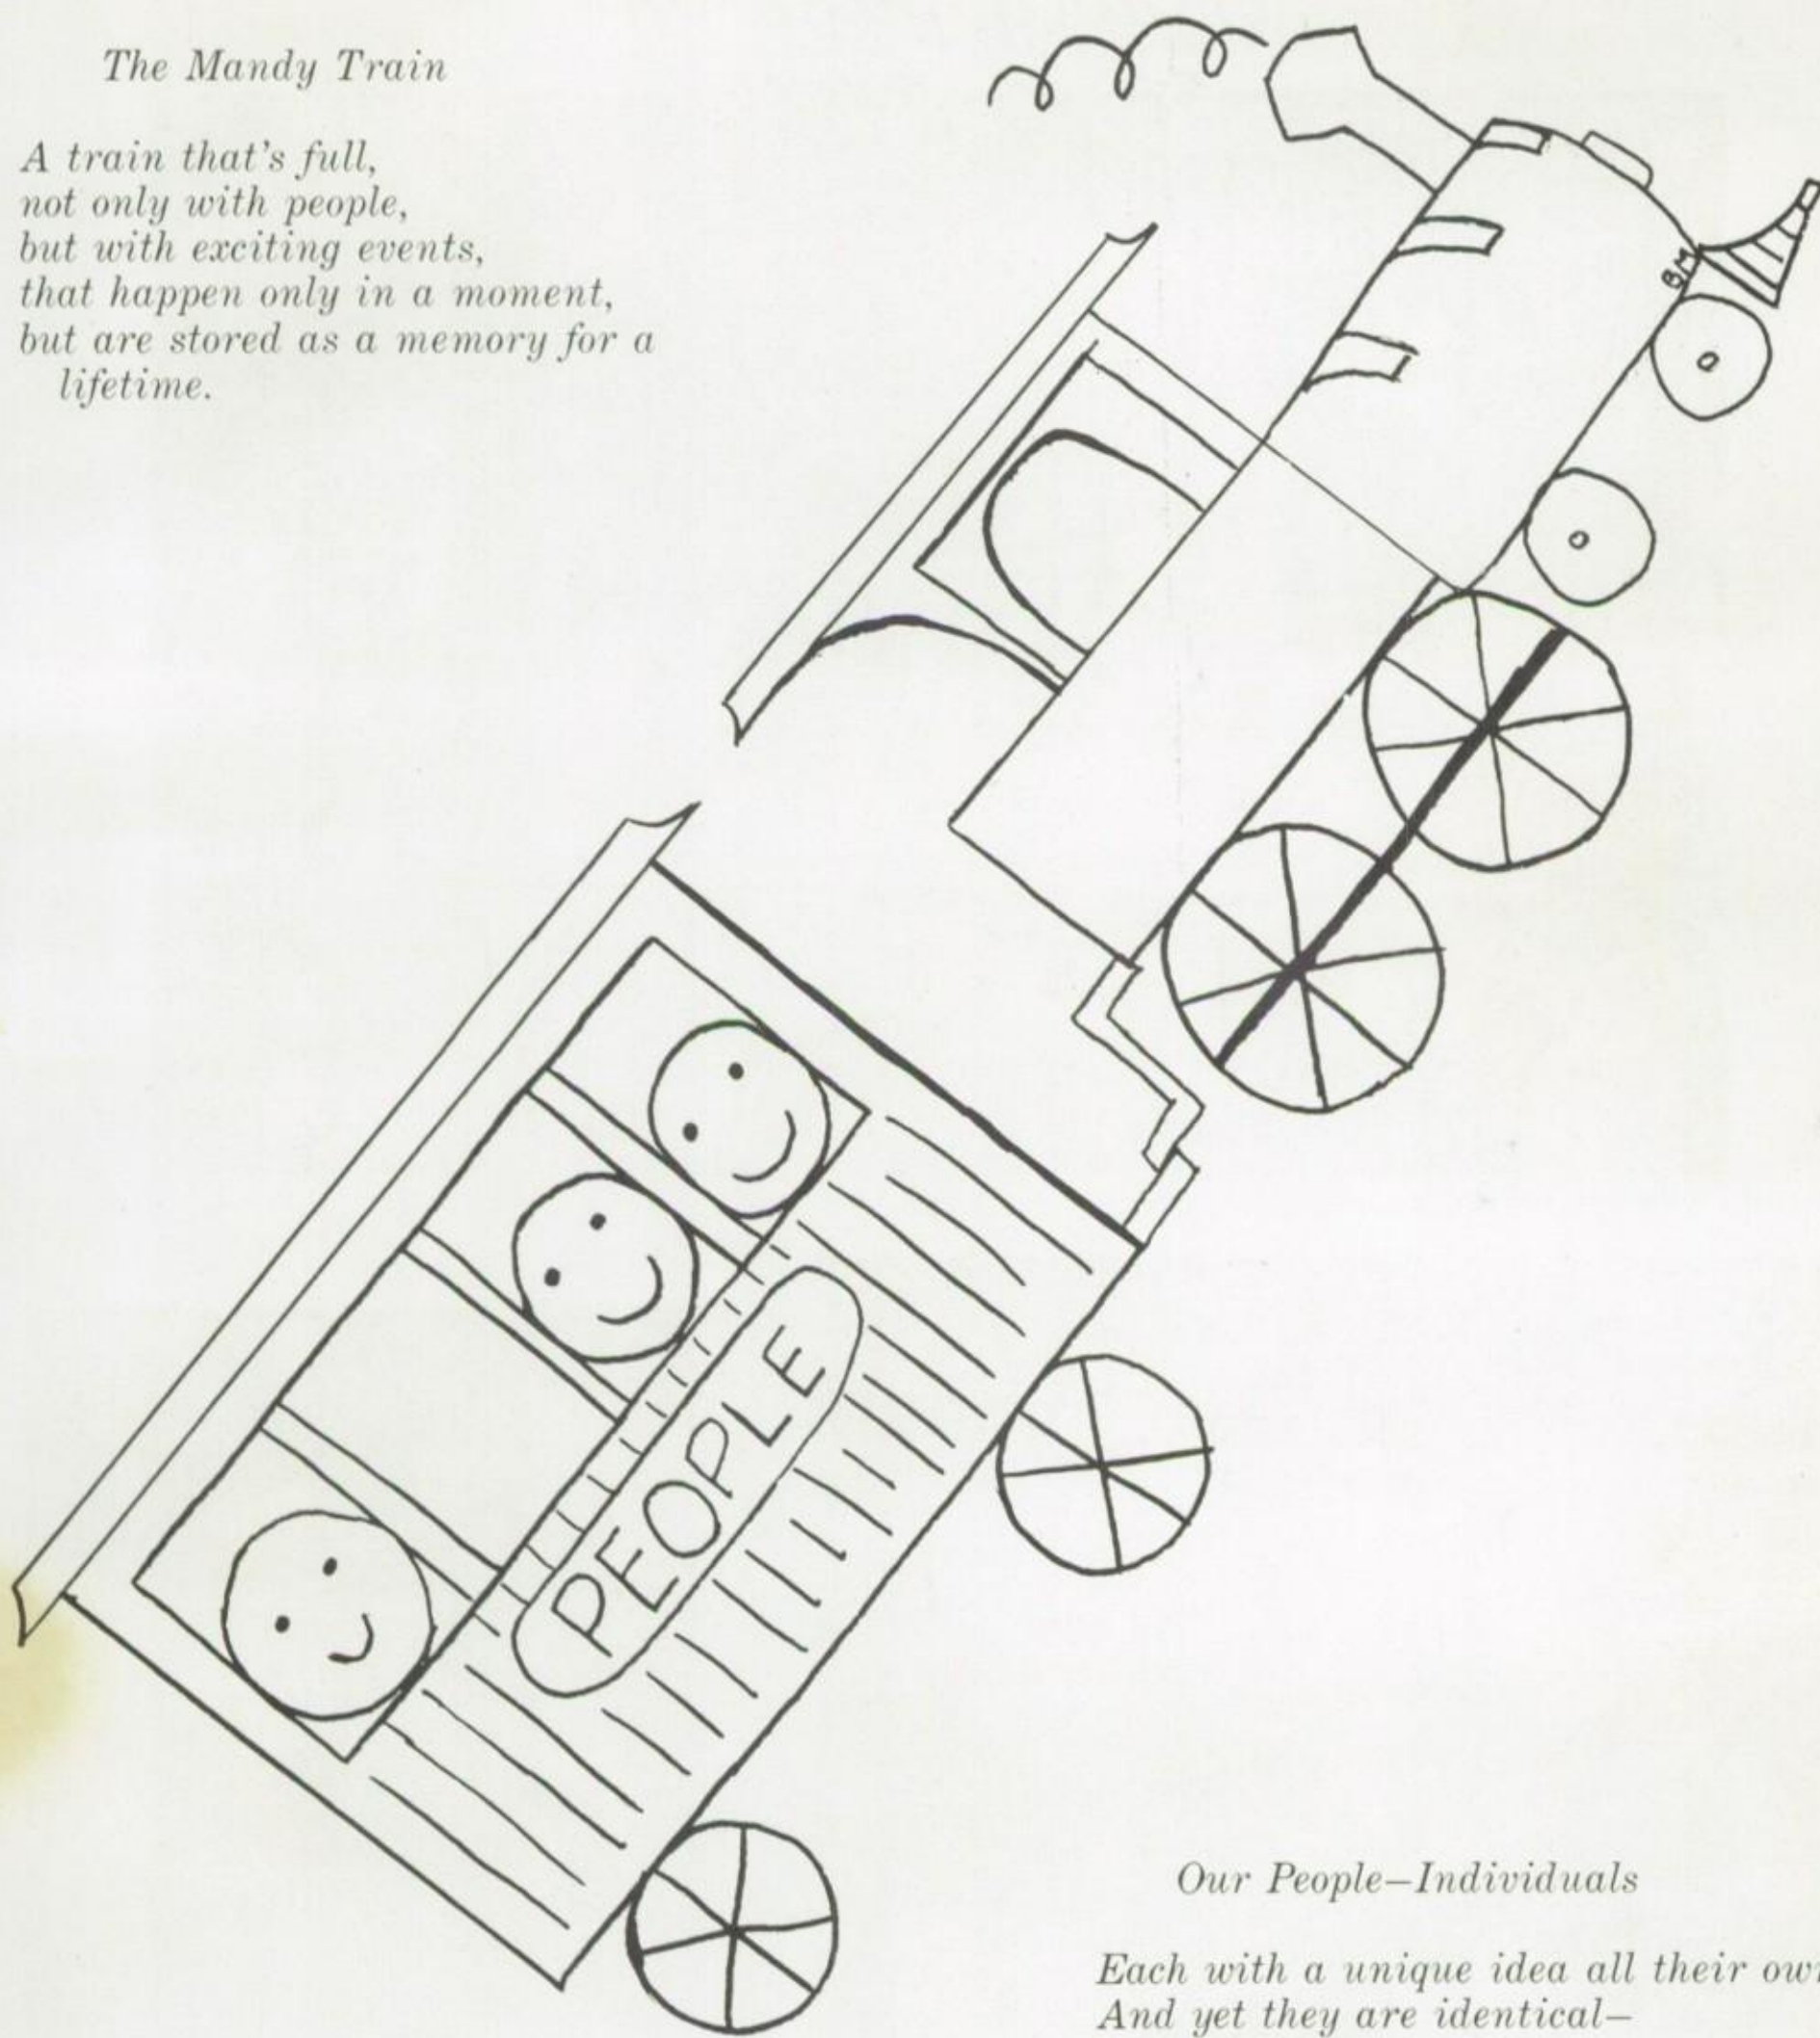

Slowly pass by.

The Mandy Train

*A train that's full,
not only with people,
but with exciting events,
that happen only in a moment,
but are stored as a memory for a
lifetime.*

Our People—Individuals

*Each with a unique idea all their own.
And yet they are identical—
all laughing
all shouting
all crying
And all caring for what they are,
People!*

Administration Works Hard

Mr. James E. Huhn, Principal

Mrs. Dot Napier, Secretary

When's our next vacation?

Mr. David Yarborough, Assistant Principal

The Administration and faculty at M.H.S. have done a tremendous job of keeping our school rolling along this year. 3:45 faculty meetings ... duty ... department head meetings ... chaperoning. This all works its way into the hustle and bustle life of the faculty at M.H.S. They are all very devoted and we are all very proud to have them teaching and working at Mandeville High School.

Up with four day work weeks. Go fishing!

To Keep M.H.S. Rolling!

Seniors Lead The Way ...

The Spirit of the Senior Class carried out through the entire year. The Class of '76 started their last year off by having their annual car wash-bake sale. Through the year the Seniors had various activities to keep them busy. They had a dance, initiation and sponsored Homecoming, which was a big success. Seniors got together with their "Senior Skipout Day", which was a secret to all. Graduation ended the years at Mandeville High School for all Seniors with promises for the future.

Officers: Christy Isaac, Secretary; Susan Ramay, Vice-President; Karen Dean, Treasurer; Paul Ritch, President.

Junior year, a year of enthusiasm!

The Junior year is one of the busiest and hardest years of high school. Juniors learned what class involvement is by suffering through American History, Chemistry, Algebra II, and American Literature. Through hard work, enthusiasm, and organization the Juniors won the float competition at Homecoming. They sold candy and put on a successful Prom. They were also the first class to have a ring ceremony. Many Juniors were involved in football, basketball, chorus, band, colorguard, the flag team, school plays, and many of the clubs. The Junior girls played in the Powder-Puff game.

Being a Junior meant maturing an awful lot and working very hard. Being a Junior meant lots of fun!

Junior class officers were: Ann Macaulay, Scott Sharp, Cindy Pollock, and Suzy Beauclair.

Active Year for Class of '78!

It was a year of involvement for the Class of '78! Bake sales, pep rallies, class meetings plus parades, school plays, and athletics occupied the Sophomores time. Homecoming was the highlight of the year's activities, with the Sophomore float entitled, "Part the Waves". This was a year of adjustment for Sophomores, as they scheduled BSCS, Geometry, and American History. Sophomores, for the first time, were eligible for membership in National Junior Honor Society. No matter what the activity, though, the Sophomores gave it their best!

Freshmen Carry A Heavier Load!

The Class of '79 started their Freshmen year by taking on new responsibilities. They all survived initiation, which was rough. Skipper stickers were sold and a great profit was made. The bonfire, following the Homecoming parade was sponsored by the Freshmen. In order to show appreciation for the Seniors, the Freshmen made money for the Senior Appreciation Dance by selling note pads and having many successful bake sales.

The Mandeville Skippers had a fine season this year finishing with seven wins and three losses. The season opener against Ascension Catholic was the first loss. The mighty Skippers were then victorious for five straight weeks beating Slidell, Loranger, St. John, John Curtis, and Franklinton in succession. The victory over John Curtis proved to be very impressive as Curtis went on to win the State Title in Class AA. The Skipper team was then upset the following two Fridays by Amite and St. Paul's. The loss to St. Paul's occurred in the closing seconds of the game and caused much controversy between the local rivals. Victories over Salmen and Ponchatoula closed out the season. The Mandeville Skippers finished in a three way tie for

second place with Franklinton and St. Paul's, but lost the toss and the chance to go on to the State playoffs.

Coach Theriot's outstanding coaching won him the honor of District 8-AAA Coach of the Year. The Outstanding Offensive Award in District 8-AAA went to Paul Ritch. Mandeville was well represented on the District teams for 75-76. Selected on the first team were: Phil Marshall, Manuel Reverie, Gary Casborn, Keith Dennis, Paul Ritch, Jerry Casborn, and Aaron Butler. Members of the second team were Charlie Jones and Rodney Smith.

1975-76 proved to be an outstanding season for the Mandeville Skippers!

Painting murels, installing fans, and sponsoring Mock were just a few of the projects sponsored by the Student Council. A welcome-back gift for the student body was the lakefront scene painted on the wall in the cafeteria. The MHS Student Handbook was also redone and published in the form of a booklet.

The Student Council also contributed to the fund established to provide fans for the gym and helped to install them. Homecoming also found the Council members involved in the parade. As usual, Mock Homecoming proved to be full of laughter and surprises.

Each class and club at MHS is represented on the Council. Officers this year attended the state convention in Alexandria.

Away from the common drudgery
of ordinary school life.

A time to escape—to act—
Normal!

ESCAPE! It's Our World ...

There's a man who hears a
different drummer drumming
There's a man who hears a
different drummer drumming
He's a man who stands alone ...

Who has a mind of his own
He hears a different drummer drumming
There's a highway somewhere heading
for tomorrow
With better days and brighter goals ahead ...

... Welcome To It!

So if you look outside your window
Find that winding road
Be a man who hears a different
drummer drumming ...

Be a man who stands alone
 Have a mind of your own
 Be a man who hears a different
 drummer drumming.

"The Dancing Princess"

The regal King and Queen.

A show fit for a king and queen.

Tim shows musical talent too!

"Quiet on stage . . . dim the lights . . . open the curtain!" Each production in our 1975-76 theatrical year began with these simple commands. New interests were aroused, and several actors were discovered. The Play Production classes came to know the meaning of "opening night jitters." This year was successful, one which brought forth friends and memories to be cherished. It was a big year, one which included more productions than any previous year. Several class plays were included, as well as two large productions, "The Dancing Princess," and "Annie Get Your Gun."

Memories of Mock Homecoming!

Juniors in possession of the ball.

Both teams fought hard for a victory!

An exciting victory for the Senior Women proved to be the outcome of this year's annual Powder Puff game. The Juniors and Seniors fought a hard battle, but experience helped the Seniors pull through with a score of 12-0. With recollections of the game in their minds, the Juniors and Seniors, along with the rest of the school, had a great time at the dance following the game. At 10:30, the lovely Mock Homecoming court was presented to highlight the night's events. As always, this was a night to be remembered and will be a night for everyone to look forward to in years to come.

not only with people,
but with exciting events,
that happen only in a moment,
but are stored as a memory for a

Each with a unique idea all their own.
And yet they are identical—
all laughing
all shouting
all crying
And all caring for what they are,
People!

Sports
It keeps us alive.
Alive with Spirit—Determination
With defeat, often a tear
But always a stronger will to come back
—To Fight!
—To WIN!

Organizations—Togetherness
People with a common idea.
Willing to come to the aid of others,
Striving to make their club the best.
Car washes, bake sales, dances,
Events that bring people together!

A time to get away,
Away from the common drudgery
of ordinary school life.
